AICTE Approval for MBA Programme

The college has achieved yet another milestone by undergoing the AICTE accreditation for its MBA programme, which has been undertaken since 2020 after its allocation from HED and subsequent approval from Affiliating University. The AICTE approval process has been a challenging process starting from Institutional Data Submission, followed by two cumbersome scrutiny and re-scrutiny meetings for verification of documents. The last phase was Expert Committee Visit conducted by the said agency in the Online mode, wherein all the college infrastructure and other documentation has been again verified by the Committee. The Committee has recommended and approved the programme since its induction year 2020. Now, the college is expecting the 3rd Cycle of NAAC accreditation for which DVV process is almost over.
