Subject:- Conduct of PARIKSHA PE CHARCHA 2.0 (Pariksha Ki Baat PM Ke Saath) on 29th of January, 2019 at 11:00 AM.

The programme was highly informative and reformative for human psychology especially for the students who have exam phobia. We understand that to a large extent such students will be relieved by the phobia they have developed for writing their examination. Such programmes should be conducted continuously for academic development of the students.

Although a good number of students participated in the session, however, due to winter vacations and examination season the attendance was a bit thin. It is assured that all the student of the college will ensure their participation when the academic session will be in full swing. A sizable number of the teacher also attended the programme.
