

Report of General Health Check-up Camp

A General Health Camp was organized by Health Centre of the College in collaboration with Directorate of Health Services, Kashmir / School of Health Programme, District Srinagar on 28-03-2023.

The programme was aimed at Non communicable diseases screening / health checkup camp for the students / staff to screen the cause of disease among the students and staff of the college. The medical team deputed by the Chief Medical Officer (CMO) to college comprised General Physicians, Epidemiologists, Dentists, Counselors paramedical staff and Lab. Technicians.

The team was welcomed by the head of Institution Dr. Neelofar Bhat, the Convener of Health Centre Prof. Ruqia Majeed and the committee members.

The college installed many counters in the auditorium hall, like registration of students were made at Counter No.01, Counting of BMI was done at Counter No.02, Counselling at Counter No.03, Physical Checkup at Counter No.04 and Dental Check-up at Counter No.05.

The number of students / staff examined by the team about 300 in total and the medicos of the team suggested that maximum number of students is underweight and need proper diet plan follow in order to overcome general health problem. Also the medicines were distributed among the students for free of cost.

Finally the camp ended with the vote of thanks presented by Dr. Tabasum Masood, Co-Convener, Health Centre.
