

Report on the one day workshop organized by the Department of Home Science in collaboration with Pidilite India

The Department of Home Science organized one day workshop in collaboration with Pidilite India on 28-03-2023. The workshop was started with the Inaugural event in the conference hall. Prof. Pinu Andrabi (HOD Home Science) presented the welcome address. In her address she gave a brief description about the objectives the organizing the event and how the workshop will benefit the students in developing the creativity and entrepreneur skills. After the welcome address, Prof. Neelofar Bhat, Principal Govt. College for Women Nawakadal was invited to inaugurated the workshop. In her address, worthy Principal stressed the need of taking initiatives for skill development among the students. Prof. Neelofar also stressed on developing the entrepreneur skills in the students so that they can earn while they learn and also use the talent for financial independence in their future life .

After the inaugural event the workshop started in Laboratory of Home Science. About 20 students participated in the workshop. Ms. Ibra Mushtaq who was the trainer for the workshop demonstrated various techniques of 3D Art. She taught the techniques of Jewellery making, wall hanging, photo frame etc. Students showed great enthusiasm in learning the techniques of 3D Art.

Prof. Rubina Shaheen presented the vote of thanks at the end of the workshop.

Chairman of Everything."

A close-up photograph of a person's finger holding a small, round, textured object. The object is primarily black with a large, irregular, golden-yellow area in the center. The background is a blurred page of text from a book.

ith memories of 1952 still
fresh in Indian minds,
President Xi Jinping's
statement, made at the
Communist Party, that China needs
to "stage military operations to
create a secure environment, deter
control risks and conflicts, to be
general wars," is ominous for the
idea of what China will do,
or public understanding of what we have
inadequate. What little we know
about the neighbour of China is
often by retired diplomats,
Indian perceptions of
country to deal with
have tried to lift the
understanding
policy

A person's hands are shown holding a small, ornate, black-framed mirror. The mirror is decorated with red and white floral ornaments at the corners. The person is using a purple pen to draw on the mirror's surface. The background consists of a newspaper with various headlines, including "word of advice on QTT and..." and "Opening state...". A yellow sticky note is attached to the bottom left of the mirror.
