No.WCN/21/1031

Dated: 26/7/2021

Notice

All the faculty members are aware about the importance of research publications and research related activities in the higher educational institutions especially colleges mandated by UGC, NAAC, NIRF and ARIIA initiatives/guidelines. As per the report from last ranking cycle of 2015 by NAAC Bangalore, the entire college faculty was suggested to take major/minor research projects and since then hardly any faculty member has submitted any research project except one or two. Now therefore, it is entrusted upon the research council comprised of following members to guide and motivate the faculty to submit minor/major research projects to various state/national/international funding agencies and also prepare a framework for involving students in short term project works. This should be treated as most URGENT. The College Research Council is directed to submit the compliance report within 15 days from the issuance of this order.
