Notice inviting the attention of Science Stream Students

From the current Academic Session, the College has introduced Job Oriented Course titled "Applied Nutrition & Dietetics" as a Core Subject in Science Stream. Through the medium of the instant notice, the students of Science Stream who are willing to seek admission in 1st and 2nd Semester (CBCS) Session – 2019-20 in this College, are informed that they can opt for the said subject as one of the subjects in the prescribed Combination of Science Stream. For any clarification, the desirous students are advised to contact the College Admission Section.
