## *Foreword from Principal*

It is a matter of great pleasure not only for the stakeholders but for society as a whole that this college has been able to bring out the first issue of NCC Handout.

The college is one of the premier educational institutions offering education to women students of the valley since its establishment in 1961. Nurturing and nourishing the inherent talent of students, the college has proved to be a bastion of curricular, co- curricular and extra curricular activities. With the launch of innovative healthy practices, the college has become a hub of excellence.

Keeping in view the changing demands of the knowledge society, the college focuses not only on the academic development but also on the physical development of the students. I am overwhelmingly delighted to note that the college has been able to re-activate the Girls Army Wing of NCC Cadets. NCC plays a great role in nation building and grooming the youth of the country. NCC has converted many youth into leaders of repute and eminence whose deeds are worth emulating. Indeed, it has lived upto its motive of unity and discipline.

I extend my warm felicitation to the NCC Cadets who have brought laurels to the college by their outstanding performance in various NCC events organised by 1st J&K Girls BN NCC, Gogji Bagh Srinagar and by the college during the years 2013-2014 and 2014-2015.

I assure that along with the promotion and progression of the academic scenario, the college administration will leave no stone unturned in creating and establishing the infra- structure needed for the promotion of extra-curricular activities.

I express my deep sense of gratitude to the entire NCC family of the college especially the Programme Officer Dr. Bilques Shair for her dynamic supervision of the NCC activities.

My sincere thanks are also due to Dr.Mohamad Ashraf Malla for his keen interest in the preparation and compilation of the present handout.

**Principal**

## NCC at College (a brief historical perspective)

NCC was established in the college during 70's with Naval and Army wings. The two wings continued to operate with brilliance and exemplary /outstanding performance in respective fields, wining applauds till late 80's. However, due to the political instability and disturbance in the state in view of threat to security of the Cadets, both the wings were suspended temporarily till the return of the normalcy.

It was only in the year 2013 that the Army wing was re-activated and re-vitalized under the stewardship of Madam Principal Prof. Tasleem Peer and under the dynamic supervision of Programme officer Prof.(Dr) Bilkis Shair. During the intervening period of last two years, the cadets of the college participated in a number of local, State and National events/camps organised by NCC Directorate Ist J&K Girls Bn NCC, Srinagar. During the short span of two years, the cadets participated in various camps and brought laurels to the college by winning Gold/Silver medals.
