Straight from the Editorial Desk

It gives me immense pleasure and a sense of satisfaction to proudly present before our esteemed readers the Annual College NCC Newsletter “The Cadet.” Compiling this newsletter was surprisingly enthralling given the series of activities the college faculty and our motivated students managed to conduct this year overcoming all odds.

The National Cadet Corps (NCC) wing of the Govt. College for Women, Nawakadal displayed qualities of resilience, courage and unflinching determination amidst **COVID -19 PANDEMIC**. Denying to succumb and grovel in front of the unprecedented challenges, the Cadets in the spirit of true NCC volunteers exhibited unity and discipline (Ekta aur Anushasan). The **COVID -19 PANDEMIC** not only failed to stop the Cadets from participating in and organizing different programmes but also taught them how adversity comes up with alternative solutions. With digitization and internet revolution, the Cadets conveniently organized programs like **World Nature Conservation Day**,” **“Hepatitis Day**,” **“Constitution Day**,” **“Aatma Nirbhar Bharat Campaign**,” **“Fit India Campaign**” and many more. Not only that the Pandemic proved as a practical battleground for students who entered the field of social service amidst this critical period. All the Cadets downloaded **“Arogeya Sethu App”** to remain updated about the Indian statistics and other preventive measure regarding the pandemic. They proved as social assets by raising awareness about the communicable disease among their immediate neighbourhoods. Besides that the Cadets organized online awareness programmes like **International Yoga Day** on the theme **“Yoga as stress Reliever during Covid-19** and Tree Plantation Drive, **“ Pakwada**,” where the Cadets planted many saplings in their homes. Moreover, the Cadets while maintaining standard operating procedures (SOPs), ensured participation in different camps as well.

Human beings have once again defeated the hellacious circumstances and maintained grace under pressure like a true **Hemingway Code Hero** following the ideals of “honour, courage and endurance in a world that is sometimes chaotic, often stressful, and always painful”

I hope you enjoy going through the newsletter and send us your opinions and suggestions to improve it further.

GIRLS ARE PEARLS,
LADIES ARE RUBBIES,
MOTHERS ARE MOULDERS,
AND WOMEN ARE WONDERFUL.

THE MAIN OBJECTIVE OF NATIONAL GIRL CHILD DAY IS TO:

To spread awareness among people about all the inequalities faced by girls in the country. To promote awareness about the rights of a girl child. To increase awareness on the importance of girl education, health and nutrition. Government initiated campaign like 'Beti Bachao, Beti Padhao' is very important as it addresses important issues like stopping the inhumane practice of female foeticide and to knowledge and fight for a girl's right to education. Such campaigns help change the mindset of people, especially in rural areas where a lack of education ends up being the cause of barbarian practices against women. Mass awareness helps changes the mindset of people, and thereby of society. "Smiling face of every little girl is the signature of God's presence"
