VISION

- To create a pool of highly talented grounded women who will leave an indelible mark in society.
- To maintain balance between education that promotes knowledge per se and training that imparts skills for employability.
- To inculcate among the students egalitarian, secular and non-parochial values in addition to the core values of honesty and discipline and also a spirit of social work.
- To promote all-round development of girls through cultivating their sensibility to beauty, harmony, social justice and heritage.

MISSION

- To develop ethical, reflective and socially responsible individuals.
- To hone the aspirations of women.
- To foster a sense of moral up-righteousness.
- To revisit cultural values through positive interaction.
- To make endeavours for facilitating means of livelihood to our students through UGC sponsored job oriented courses.

OBJECTIVES

- Develop required infrastructural facilities.
- Offer professional and vocational programmes.
- Make girls conversant with values of life and develop their behavioural pattern.
- Introduce Emerging Courses.

A Brief Profile

The college is one of the premier institutions affiliated to Kashmir University and is situated right on the right bank of River Jhelum.

The main building complex of the college is located amongst a host of historical and religiously venerated sights ranging from mosques and temples to Sufi shrines and merchant sarais .

The college is 3.7km away from Lalchowk the district head quarters. Following establishment in the year 1961 on an area about 2400 sqmts, the college has been accredited twice. It has improved from Grade B to Grade A with 3.10 CGPA in the year 2015. The college has also privilege to be the only college of the valley Graded by NRF(R-Band-151-200).though due to paucity of space the college caters more than 2000 students every year. The college at present offers range of courses under various subjects under Choice Based Credit System at under graduate level in five streams –Science, Arts, Social Science, Commerce and Computer Science. At part from in his the college has now started Post Graduate courses in Commerce and Music. In addition IGNOU and Distant Education Centers present within the campus offer a wide range of under graduate/Post graduate courses for the aspiring students of adjoining areas. The college has the distinction having started the Skill Courses in Cutting Tailoring and Paper Machie, for the produce a shop has been allotted to the college in famous Exhibition grounds for the sale. Under RUSA Rashtra Uttachartar Siksha Abhiyan two vocational courses –Loan Approval Officer, Small and Medium Entrepreneur Officer have been started from the current academic session. As a part of outreach plan, J&K entrepreneurship development institute (JKEDI) in collaboration with placement cell of our college organized some awareness programmes on entrepreneurship development schemes. In the session several corporate /companies visited the college campus and organized placement cum consultancy drives under mission UDAAN. With the purpose to increase the accessibility of different scientific developments and researches, subject tours were organized by various departments of the college. As a social obligations the college financial aid committee provided financial assistance to as many as 400 students . In addition financial help was also provided via IQARA Students Welfare Fund (NGO) The preparations are at peak for the third cycle of NAAC Accreditation due in 2020.

Principal's Message

It is my pleasure to bring to you the 2020 issue of our College News Letter "Khatoon". We have consistently tried to make it a fulfilling and a meaningful contribution. This year too has been a journey towards growth and development of our college.

Association with the best teaching fraternity and greater standards of education from its very inception, the objective of our college remains to impart wholesome education to the young and talented women of Kashmir. Prepare them for the ever-growing technology and data driven world and equip them with the skills of decision making and problem solving. These attributes will serve as building blocks when they convert the knowledge they acquire in college, to real world problems and situations. Creative intelligence and innovative capacity are fast becoming requirements for personal and professional success. Consequently students need to be prepared for the challenges that life will throw at them. That gives rise to the necessity for functional education for the promotion of a progressive and united society. To this end the curriculum needs to be relevant, practical and comprehensive. For the acquisition of appropriate skills and the development of mental, physical and social abilities, and promoting competences as equipment for the individual to live in and contribute to the development of the society. For this the key is to create and innovate. And that is exactly what our approach is in imparting education to these young minds.

This unique combination of academic excellence and skill based training, blended with dedicated faculty and teaching methodology has always led to the College's most significant achievements.

A year before, if we were proud of the PG affiliation in the stream of Commerce and MBA from the University of Kashmir to bringing honor and good name to the college in various academic areas, this year too, the college has been working day in and day out to maintain the excellence and introduce more opportunities to the student community. It gives me great pleasure to inform you that this year we have made some meaningful additions, like the starting of the language Lab, two more smart rooms, a basketball court and the initiation of the digital classrooms in the college. we have made new beginnings, with the pledge to reach greater heights.

To conclude I would like to thank the editorial team who tirelessly came up with this impactful edition of our College News Letter and wish them success and good luck for their future endeavors.

Editors Message

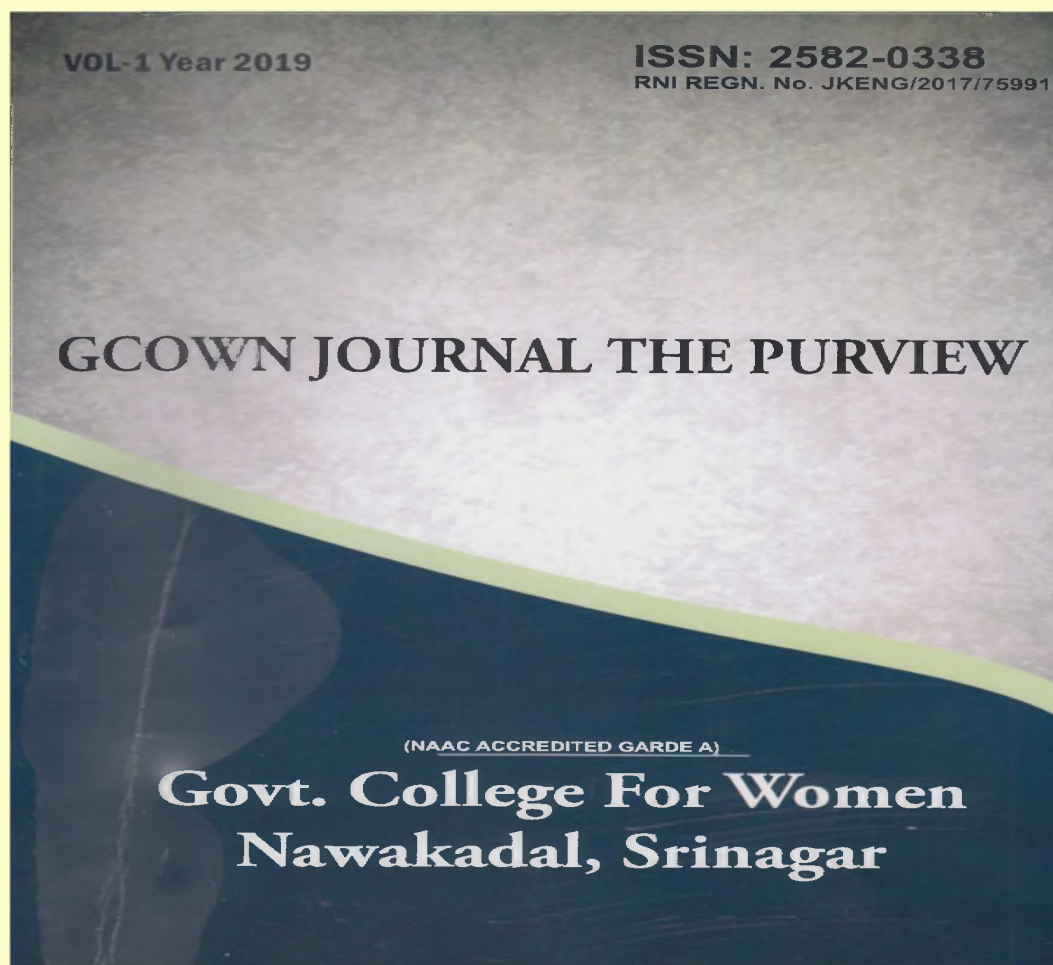

I feel delighted to put before the stake holders the Annual College IQAC Newsletter (Khatoon) . This addition of newsletter covers diverse activities undertaken during the academic session 2019-20. Publication of Newsletters regularly is a tool for sustenance and enhancement of the quality. Which also serves as the best indicator for academic performance exhibited by the teaching and non teaching staff of this institution .

I will feel obliged if any short comings are pointed out so as to avoid them in future edition.

Dr Mukhtar Ahamad Malik.

IQAC Activities

The IQAC Cell of the college has facilitated the probation clearances cases / placement cases of faculty members from the Higher Education department and is working tirelessly on the preparations for NAAC Accreditation of the college due in 2020. It also intends to organize seminars / workshops in the current academic session. The college IQAC cell in collaboration with College Research Committee of the college succeeded in publishing the first issue of multidisciplinary research Journal “GCOWN JOURNAL-THE PURVIEW” – (ISSN ,NO.:2582-20338). The journal contains 24 reviewed research papers .
