A Brief Profile

The Government College for Women, Nawakadal is one of the premier institutions affiliated to Kashmir University and is situated along the picturesque bank of River Jhelum.

The College is located at a place which is culturally and historically significant. The place is a host to various historical and religiously venerated sites ranging from mosques and temples to Sufi shrines and merchant sarais .

The college is 3.7 km away from Lalchowk in Srinagar. Following its establishment in the year 1961 on an area of about 2400 square meters, the college has been NAAC accredited twice. It has improved from Grade B to Grade A with 3.10 CGPA in the year 2015. The college has also the privilege to be the only college in the valley Graded by NIRF(R-Band-151-200) in 2017. In spite of a paucity of space, the college caters to more than 1500 students every year. The college at present offers a range of courses under Choice Based Credit System at under graduate level in seven streams –Science, Arts, Social Science, Home Science, Management, Commerce and Computer Science..

The College also offers PG courses in Commerce (M.Com.), Management Studies (M.B.A) and Chemistry (M. Sc) . The college has the distinction of offering five skill courses under UGC- National Skill Qualification Framework (NSQF) which include Dress making, fitness management, Hospitality and Catering, web designing and Beautician courses. These courses aim to contribute to India's economy by providing employment opportunities to students.

The college has also been recognised as Social Entrepreneurship, Swachhta and Rural Engagement Cell (SESREC) Institution. The college has the privilege of launching Industrial Skill Courses on Computer Concept (CCC) in collaboration with NIELIT Srinagar. As a social obligation, the college financial Assistance Committee provided financial assistance to deserving students of the college.

The college got registered with MoE innovation cell and there is a functional institution council (IIC) since 2020.

Principal's Message

It is a matter of great pride and satisfaction to bring out the current edition of the college Newsletter "Khatoon". This year as well, the College has made tremendous progress in all areas; academic, non-academic and capacity building relevant to staff and students. Though the corona pandemic has been an unprecedented challenge, yet our college faculty has been actively involved in conducting online webinars, quizzes and other competitions. The basic mission of this college is to prepare our students for the ever growing technology driven world. We aim at making our students well equipped with the skills of decision making and problem solving attributes which drives the competencies in students to try their hand in various disciplines.

A combination of academic excellence, skill based education and extremely dedicated faculty and teaching methodology has been the root cause of College's most significant achievements. Different activities were organized by our College this year in connection with the "Implementation of New India @75". The College has also been recognized as a member of "Beat Covid Campaign initiative of Mahatma Gandhi National Council of Rural Education, Hyderabad". The college has been recognized as "District Green Champion" for Srinagar District for the Academic Year 2020-21 as our Institution has successfully set up the Swachhta Action Plan Committee, adopted and implemented best practices in the areas of Sanitation, Hygiene, Waste management, Water Management, Energy Management and Greenery Management. In the ARIIA ranking 2021, our college has been ranked among BAND -PERFORMER institution in the category of non technical government institutions in India. The college has also been established as Institution Innovation Council (IIC) as per the norms of Innovation Cell, Ministry of Education, Govt. of India during IIC Calendar year 2020-21.

A newsletter reflects a clear picture of all sorts of activities undertaken by the college. I would like to congratulate the Editorial Board of this Newsletter which has played a wonderful role in accomplishing the task. I envisage a very bright future for this institution with the support and enthusiasm of the faculty, supporting staff and the students of the College.

Prof. (Dr.) Tabasum Rafiq

Principal

Editor's Note

I feel honoured to have been given the opportunity to edit the current edition of the newsletter, “Khatoon” which reflects the progress of college in bringing the women of society to a platform of equality and growth in terms of academic and extracurricular achievements. Although the pandemic kept the college closed for offline classes for most part of the year, yet the college adopted many strategies to help students combat this challenge and managed to organise many workshops, seminars, lectures and events that have been documented in the newsletter.

This year too, the students of the college displayed their talent and fared well in various competitions. These achievements reflect the philosophy of our institution to make students versatile and competent in both curricular and co-curricular activities.

I would like to acknowledge the efforts of College Diary Committee which works meticulously throughout the year to keep record of all the events and activities of the college.

I hope you will enjoy reading this newsletter and we look forward for your valuable feedback.

From IQAC Coordinator's Desk ...

Greetings.

The college IQAC has become a driving force for quality enhancement in the college adhering to the vision of the college “to create a pool of highly talented grounded women who will leave an indelible mark in society”. It has always been at the forefront of taking quality initiatives through systematic way by setting up various committees for their effective implementation. Being the corner stone of academics and a bond between the different stakeholders, it has played an important role in execution and enhancement of quality of teaching, learning and evaluation. IQAC provides conducive environment to its students not only for curricular activities but they are encouraged to participate in co-curricular and extra-curricular activities. The continuous assessment, performance evaluation, upholding, maintenance and sustenance of the quality of education and providing of the adequate facilities to students has always remained the priority of IQAC.

The IQAC is all set to implement the New Educational Policy (NEP) 2020 and is continuously working for the improvement of existing and the introduction of new courses in the college. The PG course in Chemistry has been introduced in addition to already existing PG Courses in Commerce and Management in the college. IQAC has taken an annual review of the Academic performance of all the departments and the administration through an academic and administrative audits.

In pursuance of continuous improvement, the IQAC collected feedback from different stakeholders on quality-related institutional processes and applied the same to make the system more effective, favorable and student-centric in the college. In order to foster the skills like leadership, teamwork, communication etc., and to promote the voice of student community, the conducting of elections for Student Council, after the effective seven day's online election campaigning under the supervision of the Coordinator IQAC, was an important achievement. Moreover, IQAC has developed the effective mentoring system in order to increase self-awareness, self-confidence and exposure to new perspective amongst the students to face the challenges in life. The IQAC has facilitated a steady and continuous system of innovation in all aspects, thereby paving way to enhance the efficiency of the institutional processes. For the professional development and advancement of the staff, the IQAC organized many programmes including seven days training Course regarding various Government Rules, One Day's Workshop on Mentoring Skills, and also cleared many PBAS cases under Career Advancement Scheme (CAS). The IQAC with the support of the other committees left no stone unturned to keep the environment Green as a part of “GO GREEN MOVEMENT” and conducted various audits including Environmental Audit, Green Audit and Energy Audit.

The college has geared itself for the Accreditation process by National Assessment and Accreditation Cell for Cycle 3. For that IQAC has not only submitted six Annual Quality Assurance Reports (AQARs), but Institutional Information for Quality Assessment (IIQA) and Self Study Report (SSR) were also submitted in a record time of just 13 months. As Coordinator, I am highly thankful to my IQAC team for this great and dedicated work, and hope that with the cooperation from the whole staff, the college will touch the heights of success under the dynamic leadership of esteemed principal Prof. (Dr.) Tabassum Rafiq.

Let's segregate our waste in right bin
That's how both nature and us
will clearly win.

We should put things in recycle bin
From domestic waste to hair pin.

Let's not create a mess on earth
We should clean it and make it
worth.

We can't use it once and throw
Sow one seed and it will grow.

Connect with nature and recycle
things
that's how great thing always
begins.
