- Introduce Emerging Courses.

A Brief Profile

The Government College for Women, Nawakadal is one of the premier institutions affiliated to Kashmir University and is situated along the picturesque bank of River Jhelum.

The College is located at a place which is culturally and historically significant. The place is a host to various historical and religiously venerated sites ranging from mosques and temples to Sufi shrines and merchant sarais .

The college is 3.7 km away from Lalchowk in Srinagar. Following its establishment in the year 1961 on an area of about 2400 square meters,

the college has been NAAC accredited twice. It has improved from Grade B to Grade A with 3.10 CGPA in the year 2015. In spite of a paucity of space, the college caters to more than 1500 students every year. The college at present offers a range of courses under Choice Based Credit System at under graduate level in seven streams –Science, Arts, Social Studies, Home Science, Management Studies, Commerce and Computer Science. Besides undergraduate courses, the college also offers PG courses in Commerce (M.Com.), Management Studies (M.B.A) and Chemistry (M. Sc). These courses aim to contribute to India's economy by enriching human resource of the country.

The college has successfully started admissions for the new batch of 2022 under the guidelines of new Education Policy (NEP– 2020). With this new framework the college mainly aims at fulfilling the motto of the NEP, that is to, “Educate Encourage Enlighten” the students by empowering them with academic choice , multiple exit points and diverse areas of study.

The second-half of the year 2022 was remarkably productive and fruitful for the college in myriad ways. The college succeeded in getting AICTE approval for the prestigious MBA programme after an arduous journey of 2 years. Besides, the college managed to get approval for two research projects in Chemistry. The college also got registered with SWAYAM NPTEL Local Chapter and a separate web page of the institution was also created. As the college is also registered with MoE innovation cell, it has a functional institution Council (IIC) since 2020.

The college has got about two star Ratings in the performance Report generated for Q1 & Q2 for Institution Innovation Council by AICTE Ministry of Education Innovation Cell Government of India.

Besides the college was also ranked as a Band Performer throughout India in 2021 in ARIA ranking.

The college has also been recognised as Social Entrepreneurship, Swachhta and Rural Engagement Cell (SESREC) Institution. As a social obligation, the college financial Assistance Committee provided financial assistance to deserving students of the college.

Principal's Message

Dear Students and Faculty Members, I am pleased to introduce myself as the new Principal of our esteemed college. It is an honor to have been given the responsibility of leading such a prestigious institution.

It gives me great pleasure to welcome you all to the latest edition of our college newsletter, *Khatoon*. This edition gives us an opportunity to reflect on the progress we have made as an institution and to look forward to the exciting possibilities that lie ahead. It also provides a space for students and faculty to express their thoughts and opinions on various issues.

First and foremost, I would like to extend my heartfelt congratulations to our graduating students. The years of hard work and dedication have paid off, and you are now poised to take on the next chapter of your lives. Whether you are planning to continue your studies or embark on a new career, I have no doubt that the knowledge and skills you have acquired here at our college will stand you in good stead. We are proud of your achievements, and we look forward to hearing about your future successes.

I am committed to creating a culture of innovation and entrepreneurship in our college. Our students should not only be job seekers but also job creators. We will provide them with the necessary skills and resources to become successful entrepreneurs and contribute to the economic growth of our country.

To our continuing students, I want to remind you of the importance of perseverance and resilience. College life can be challenging, and you will undoubtedly face obstacles and setbacks along the way. However, I encourage you to remain focused on your goals and to take advantage of the many resources and opportunities available to you. Whether it is seeking guidance from your professors, participating in extracurricular activities, or connecting with your peers, there are countless ways to enhance your college experience and to set yourself up for success.

At the institutional level, I am pleased to report that our college continues to make strides in fulfilling its mission of providing high-quality education to all our students. We have added several new programs and courses and we have expanded our partnerships with community organizations. These initiatives are designed to ensure that our students receive a well-rounded education that prepares them for the demands of the 21st century job market.

Furthermore, our college has remained committed to fostering a culture of diversity, equity, and inclusion. We believe that every student deserves to feel welcome and supported, regardless of their background or identity. We have taken concrete steps to create an environment that celebrates and values our differences, including hiring a more diverse faculty, providing training on cultural competency, and promoting inclusive practices in our classrooms and programs.

Looking ahead, we are excited to embark on several new initiatives that will further enhance the college experience for our students. We are exploring the possibility of creating new opportunities for our students and expanding our partnerships. We are also committed to investing in our physical infrastructure to ensure that our facilities remain state-of-the-art and conducive to learning.

I would like to take a moment to express my heartfelt gratitude to the Editorial Board of our college newsletter, who work tirelessly to ensure that the newsletter is a reflection of the college's values and achievements.

In closing, I want to thank all our students, faculty members, and staff for their contributions to the college community. Your dedication, passion, and hard work are the backbone of our institution, and we could not have achieved our successes without you. I encourage you all to continue to work together to make our college a place where everyone can thrive and achieve their full potential and goals.

Sincerely,

Dr. Neelofar Bhat

Editor's Note

It gives me immense pleasure and enthusiasm to present to you the latest edition of our college newsletter, “Khatoon,” which chronicles the outstanding achievements, events, and programs that transpired between July 2022 and December 2022. As an academic institution committed to excellence and exceptional distinction, I am delighted to share the many remarkable accomplishments of our college community during this period. It was an incredible period filled with memorable moments, achievements, and significant milestones that I am proud to share with our readers.

The College Newsletter plays an invaluable role in keeping our college community informed and engaged. It commendably documents and records the events and accomplishments happening in the college. This second-half yearly edition showcases the incredible achievements of our students, faculty and staff in academics, sports, music, and community service. Our students, faculty, and staff have demonstrated outstanding skills, commitment, and hard work, making invaluable contributions to society. We are incredibly proud of their achievements and the impact they have made on the world around them.

The college is preparing for the upcoming NAAC inspection in the year 2023. It is an excellent opportunity for our college to showcase its excellence in academics, research, and overall development. To prepare for this crucial assessment, our college has taken various measures, such as conducting internal audits, reviewing policies and procedures and identifying areas for improvement. We are committed to providing the best possible learning environment for our students and we are confident that our efforts will be reflected in the NAAC assessment. Our faculty and staff have worked tirelessly to ensure that our college meets the required standards and benchmarks set by the NAAC. We are confident that our collective efforts will result in a successful assessment and we look forward to continuing to enhance the quality of education and research at our college.

I would like to express our gratitude to our Principal Prof. (Dr) Neelofar Bhat and our ex-Principal Prof. (Dr) Nighat Nasreen for their unwavering support and leadership. Their guidance and vision have been instrumental in helping our college achieve remarkable milestones during this period. We appreciate their efforts in fostering a positive learning environment that empowers students to reach their full potential

I am highly grateful to the entire editorial board – Prof. Mansha Malik, Prof. Mehvish Syed and Dr Aneesa Ayaneer- who have worked tirelessly to provide the comprehensive coverage of all the happenings around our campus. Their dedication and commitment to producing top-quality content have played a significant role in making this newsletter a success. I am thankful to have such a talented and hardworking team that has consistently delivered excellent content.

I am highly indebted to other members of College Newsletter Committee – Dr Nighat Parveen, Prof. Afshan Yousuf and Prof. Rumaiss Nazir for their unwavering commitment and contribution to the success of our college newsletter.

Finally, I would like to thank our readers for their continued support and engagement. Your feedback and suggestions have helped us improve our content and presentation. We hope you enjoy reading this edition and feel inspired by the achievements of our college. As we approach the end of the year, we remain grateful for the many blessings and achievements of the past year. We are confident that with your continued support, our college community will continue to thrive and make a positive impact on society.

Warm Regards

Dr. Shaifta Ayoub
